

Consultant Programmer

Overview:

Veramed is a specialist contract research organisation (CRO) to the pharmaceutical industry, focused on delivering high quality statistics and programming for the reporting of Phase I-IV clinical trials across a variety of therapeutic areas. The projects and clients we work with provide a varied and exciting challenge; this in turn enables us to help develop and enhance our employees' capabilities and gives opportunities for growth.

Location: Twickenham, London OR Alderley Edge, Manchester

Purpose:

The Consultant Programmer is primarily responsible for creating and reviewing specifications and statistical programming and analysis of clinical trial data. Responsibilities may also include project management.

Key Responsibilities:

The job tasks listed below outline the scope of the position. The application of these tasks may vary, based on current business needs and experience.

- Communication with clients and team members
- Planning, development and validation of SAS programs
- Statistical programming and analysis of clinical trial data
- Review and/or create specifications (for datasets and/or tables, figures and listings), provide feedback and request clarity if needed
- Perform work in full compliance with applicable internal and client policies, procedures, processes and training

Project Management

- Oversight of key client projects/portfolios. To include:
 - Being primary client interface on client accounts and projects (where necessary)
 - Managing client expectations and issue resolution
 - Ensuring compliance to internal and external standards and SOP's

Minimum Qualification Requirements:

- BSc, MSc or PhD in numerical discipline (or relevant equivalent industry experience)
- At least 5 years of relevant industry experience

Additional Requirements:

- Excellent verbal and written communication skills
- Interpersonal/teamwork skills for effective interactions
- Proficiency in using SAS
- Self-management skills with a focus on results for timely and accurate completion of competing deliverables

TO APPLY:

If you are interested in being part of this exciting phase in the company's growth and wish to apply, or would like further information, please email your CV to hr@veramed.co.uk

Candidates must have the legal authorisation to work in the UK.
